

Photography Policy

1. The Oregon Public Library District reserves the right to utilize photographs or video taken at the library for publicity purposes in printed materials and online. All library patrons consent to the use of their photo taken at the library or during library events, unless they specifically inform staff of an objection to such use. No names will be utilized in conjunction with photos without express consent.
2. The Oregon Public Library District may accommodate requests for photography or filming provided such photography or filming does not interfere with ordinary library operations or patrons' rights to privacy. Photography or videography is generally permitted if it is for general library promotion by the library or media, student projects, and/or strictly for personal use. Visitors may take casual photographs or video recordings in the library. The use of additional equipment, such as tripods or lighting, are not permitted because of safety, liability, and other issues, unless previously approved by the library director.
3. In order to provide all library users with the safest and most pleasant library experience, no commercial photography or filming may occur in the library without the prior permission and approval of the library director, or their designee. Commercial photography requests and filming requests must be submitted in writing for approval by the director at least 7 days prior to the visit.
